**DEALERS
WANTED!**

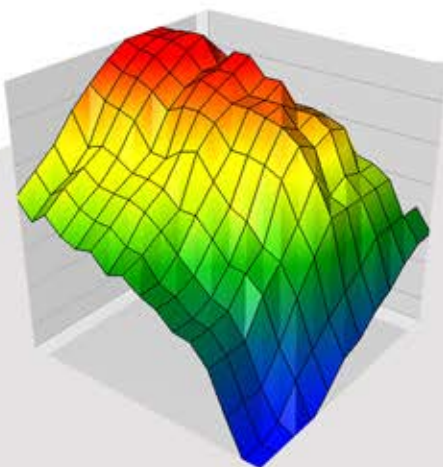

MTB Fahrzeugtechnik GmbH & Co. KG is one of Germany's leading companies for engine technology. We are one of a few companies developing software for modifying and enhancing standard engines. As we expand our national and international business we are looking for new distributors and dealers.

Are you looking for a new challenge?

We are looking for partners around the world that have a basic technological know how and experience in tuning motorcars.

**DEALERS
WANTED!**

MTB Tuning Files

Your advantages:

- As an official MTB dealer you will receive favorable terms, support, updates on changes in electronics and software updates.
- You can serve your customers locally to reduce the time involved.
- You can literally create your own tuning operations.
